

## **HomeCare on the Highway**

HomeCare on the Highway is an innovative approach to delivering home health care services, such as, homemaker, errands and personal care to older adults in Franklin County. This delivery approach has allowed LifeCare Alliance the opportunity to efficiently use service dollars in meeting the needs of our older adult population, as well as, the non-traditional employee. Home Care staff are transported Monday-Friday to various locations, such as, senior housing complexes and private homes.
